

COPY TRADING TRADER SERVICE AGREEMENT

1. DESCRIPTION OF COPY TRADING AND SCOPE OF TRADER SERVICE

BitMax.io is offering a Copy Trading Service, which allows the User to assess selected trader(s) performance, follow the selected trader's activities, copy the selected trader's trading strategies, and view selected trader's history, rankings, risk profile and other information relating to the trader's performance. ("**Copy Trading Service**").

As a participating trader of the Copy Trading Service ("**Trader**" or "**you**"), Trader shall allow BitMax.io to (i) access Trader's trading strategies and supporting account information, including but not limited to, a brief explanation of trading strategies, account trading transaction history, and performance indicators such as cumulative return, current month profit and return, and other risk metrics ("**Trader Metrics**") and (ii) share such Target Metrics with Copy Trading Service Users. Users will review such Trader Metrics, select Trader based on such Trader Metrics, and subscribe, on a monthly basis, to the Copy Trading Service, which will allow the User to follow the Trader's activities, copy Trader's trading strategies, and view Trader's history, rankings, risk profile, Trader Metrics, and other information relating to the trader's performance.

2. AGREEMENT AND ACCEPTANCE OF TERMS

By accessing the Copy Trading Service from <https://bitmax.io> (the "**Platform**") via desktop or mobile application, and applying as a participating Trader of the Copy Trade Service, you acknowledge and agree that you have reviewed this Disclaimer, in conjunction with both the Platforms' Terms of Services relating the Copy Trading Service [link] and Risk Disclaimer relating to the Copy Trading Service [link].

PLEASE READ THIS DISCLAIMER CAREFULLY and do not access, or apply as a participating Trader, of the Copy Trading Services if you disagree with any term in this Disclaimer, Terms of Services or Risk Disclaimer.

You further acknowledge and agree that by clicking "**I agree**" you will be applying as a participating Trader of the Copy Trading Service at your own risk and are authorizing BitMax.io to allow Copy Trading Service Users to follow your trading activities, copy your trading strategies, and view your trading history, rankings, risk profile, Trader Metrics, and other information relating to your trading performance.

Responsibilities of Trader

During the application process, Trader shall provide the Platform with a brief description of the trading strategies and proper Know Your Customer ("**KYC**") information as required for verification purposes. Trader will allow the Platform to access and review Trader Metrics and other key portfolio parameters, most recent performance, return and risk metrics (wherever applicable) and other information that can be helpful for Users to understand the risk and return profile in support of User's decision-making process. Trader shall be responsible for the accuracy and completeness of all information provided.

Trader shall also be responsible for setting the monthly subscription fee to be paid by User for the monthly Copy Trading Service.

Trader shall not use the name, logo, trademarks, service marks, or other proprietary identifying symbols of Bitmax.io in any press or publicity release, web page, advertising, signage, promotional or marketing materials, brochures, or other marketing or sales purposes without Bitmax.io's prior written consent.

Representations and Warranties by Trader

Trader represents, warrants and undertakes to BitMax.io as follows:

Trader has full legal power and authority to provide the trading strategies and supporting account information, including but not limited to, a brief explanation of trading strategies, account trading transaction history, and performance indicators such as cumulative return, current month profit and return, and other risk metrics to BitMax.io for use in the Copy Trading Service and that such information provided by Trader to BitMax.io does not infringe and will not infringe on any third party's rights (including intellectual property rights);

Trader shall be responsible for complying with all applicable laws in all applicable jurisdictions with respect to Trader's activities in connection with the Platform and shall not make any false or misleading representation with respect to the Platform;

Trader shall not manipulate trading strategies, or participate in any fraudulent or manipulative activity with respect to trading strategies provided by Trader for personal or third-party gain;

Trader shall use his/her best efforts to provide an accurate description of the Trader's strategies and establish a commercially reasonable monthly subscription fee for Users. Trader acknowledges and agrees that the accuracy of the description of Trader's strategies is the sole responsibility of the Trader and may be displayed by the Platform and available to Users or other Platform clients. Trader shall hold the Platform harmless and indemnify the Platform for any loss, claim or expense suffered by the Platform or its Users as a result of Trader's breach of this representation

Platform Service Fee

A certain percentage of the monthly subscription fee paid by Users shall be deducted by the Platform as Service Fee charge and settled on the monthly basis.

Term and Termination

The User subscribes to the Copy Trading Service on a monthly basis with auto renewal function that can be turned off prior to expiration of subscription. Upon the User's cancellation of subscription, the Trader can apply for the termination of being part of Copy Trading Service. This agreement shall terminate upon the review and approval of the Trader's termination application.

Notwithstanding the foregoing, Trader acknowledges and agrees that the Platform reserves the right to pause or terminate the Copy Trading Service for any Trader and/ or trading strategies at its sole and absolute discretion, including if the Platform suspects abnormal trading patterns outside key risk and portfolio parameters, drastic changes in

trading strategy performance, or any suspicious market activity or scenarios impacting the performance of any trading strategies.

Indemnification

Trader shall defend, indemnify and hold the Platform harmless from any and all claims, losses, damages, and expenses (including reasonable attorneys' fees and costs of litigation) alleged by any third-party claim relating to:

- Improper acts or omissions by Trader with respect to trading activities in connection with this agreement;
- Trader or trading strategies;
- Any claim of infringement of third party's rights.
